MEI HECHT
UX/UI Designer

612 388 5577

meihecht1@icloud.com

EDUCATION

University of Colorado Boulder
Bachelor of Arts

Boulder, CO
May 2023

Major in Environmental Studies; Minors in Computer Science and Creative Technology and Design

Relevant Coursework: Data Structures, Computer Systems, Design Foundations, Universal Design for Digital Media, Web, Software Development

UX/UI Bootcamp
University of Denver

09/2022 - 3/2024

- Conducted comprehensive user research to identify users wants and needs by using techniques such as persona creation, interviews, and usability testing.
- Created user flows, wireframes, and low - high fidelity prototypes to enhance overall user experience.
- Applied principles of design to create aesthetically pleasing user-friendly interfaces while considering accessibility.
- Worked effectively within cross-functional teams, collaborating with stakeholders to ensure seamless integration of design solutions.

WORK EXPERIENCE

Arctic Rivers Project Boulder, CO
Social Media Intern

Fall 2022

Worked on designing informative content for the project's social media platforms and website. As an intern I contributed to team efforts with visual design as well as overall content for the page.

Jimmy Johns Saint Paul, MN
Driver / In-shop

Summers '19-22

- Responsible for timely and accurate food deliveries.
- Customer service and maintaining cleanliness in the store.
- Sandwich preparation.
